Handling

Clicking on **Start** will provide you with an overview of the most current news and reports.

The area **Library** includes interesting documents.

Go to **Reports** in order to select individual inspection reports, trends and overview reports.

The area **Visit Reports** includes the summarized visit report, e.g. of a site.

Click on **Contact** to send us a message.

The **News** section includes a list of all the news you have received.

On the top right you will see your user name (example here: ADM). Please move the cursor to it and **My Details** will appear. If required, you may change your preferred language and unit adjustments here. Click on **My Details** and then on the pen. You can now change and save the language and unit adjustments under your user name.
